

How do you activate your debit card and set your UPI PIN?

Activate Your NSDL Jiffy RuPay Debit Card :

- Log in to the Jiffy App after opening your account.
- Tap on the Debit Card tab
- Select Manage Card and turn on E-Com Usage to activate your card.
- Need your card details? Just click View Card Details and enter your 6-digit MPIN to see your Debit Card number and CVV.

Set Your UPI PIN:

- Open the UPI tab in the app.
- Enter the last 4 digits of your Debit Card and its expiry date.
- Create a 4-digit UPI PIN of your choice.

That's it! Your debit card is ready, and you can now make UPI payments with ease.
